

## God Really DOES Turn Evil to Good!

(...so what?)

**Genesis 50:24-26**

- God's \_\_\_\_\_ to us are bigger than all the \_\_\_\_\_ of this world.
- God's \_\_\_\_\_ for you are bigger than all the \_\_\_\_\_ of this world.

God is not ashamed to be called \_\_\_\_\_ God. (Hebrews 11:16)

Last and not least, they cherished a great hope and inward zeal of laying good foundations, or at least of making some ways towards it, for the propagation and advance of the gospel of the kingdom of Christ in the remote parts of the world, even though they should be but stepping stones to others in the performance of so great work.

William Bradford

**Response:** "God, you are my God. You turn evil into good."

- His promises \_\_\_\_\_ the way I think about the evils of my life . . .
- I believe He has \_\_\_\_\_ for my life. This changes the way I think about the \_\_\_\_\_ of my life . . .
- I want to \_\_\_\_\_ that I am living for my "true home" by . . .

My belief in the love of God is not by inference or instinct, it is by faith. To apprehend God's sovereignty working in that love is – we must say it – the last and highest victory of the faith that overcomes the world.
