

sanctification =

“All these holiness and saintliness words simply describe becoming oriented to God and other people the way human beings are meant to be oriented.”

#### Questions to Think About

- Have you ever wondered if you were going to make it? Or have you wondered why change was so slow? What was that like?
- If sanctification is becoming more fully human, what does that not mean? What does that mean?
- Are we active or passive in sanctification? If this is confusing, check out some “active” verses (Hebrews 12:14; 1 Thessalonians 4:3; 2 Corinthians 7:1). And check out some “passive” verses (Galatians 5:22-23; Hebrews 13:20-21; 1 Thessalonians 5:23). Then see how they fit together (Philippians 2:12-13; Romans 8:13).
- Are you confident God will finish what He started in you? If so, why? If not, why not?
