our deepest need

Captain Sam Bellamy

“Damn ye, you are a sneaking puppy, and so are all those who will submit to be governed by laws which rich men have made for their own security, for the cowardly whelps have not the courage otherwise to defend what they get by their knavery ...

“Damn them, for a pack of crafty rascals,
and you, who serve them, for a parcel of
hen-hearted numskulls.

“They vilify us, the scoundrels do, when there
is only this difference; they rob the poor under
the cover of law, forsooth, and we plunder the
rich under the protection of our own courage.
Had you not better make one of us than sneak
after ... such villains for employment?”

VIDEO - Abortion Rights

“No one wants an abortion as she wants an ice cream cone or a Porsche. She wants an abortion as an animal, caught in a trap, wants to gnaw off its own leg.”

Frederica Mathewes-Green

“Everyone around me was saying they would ‘be there for me’ if I had the abortion, but no one said they’d ‘be there for me’ if I had the baby.”

VIDEO - Women's Clinic

“The issue gets presented as if it’s a tug of war between the woman and the baby. We see them as mortal enemies, locked in a fight to the death. But that’s a strange idea, isn’t it?”

“It must be the first time in history when mothers and their own children have been assumed to be at war.”

“We’re supposed to picture the child attacking her, trying to destroy her hopes and plans, and picture the woman, grateful for the abortion, since it rescued her from the clutches of her child.”

Frederica Mathewes-Green

“Injustice anywhere is a threat to justice everywhere. We are caught in an inescapable network of mutuality, tied in a single garment of destiny. Whatever affects one directly, affects all indirectly.”

Martin Luther King, Jr.
