

**Big Idea:**

If our tables are going to look anything like his (Jesus), we need to first remember what it's like to go to the table of the Lord, hungry and thirsty for a feast only he can give.

1. The table is a \_\_\_\_\_ (Luke 14:12-14).
  - a. Jesus doesn't care about your \_\_\_\_\_, he cares about your \_\_\_\_\_.
  - b. What does your table indicate about your \_\_\_\_\_ and your \_\_\_\_\_?
  - c. The table of the Pharisees revealed an unhealthy relationship to \_\_\_\_\_.
  - d. There is a \_\_\_\_\_ between who you invite to your table and how you respond to the \_\_\_\_\_ of God to dine at his.
2. The \_\_\_\_\_ behind the \_\_\_\_\_ (Luke 14:16-20)
  - a. The people most likely to see themselves at the \_\_\_\_\_ don't accept the invitation to attend.
  - b. The problem is \_\_\_\_\_ that they are uninterested in the Kingdom.
  - c. The problem \_\_\_\_\_ that the Kingdom of God is in their midst, and they can't \_\_\_\_\_ it.
3. The kind of person who \_\_\_\_\_ the feast (Luke 14:21-24)
  - a. Those \_\_\_\_\_ to see themselves on the guest list are those most excited to attend the feast.
  - b. The only ones who \_\_\_\_\_ the feast are not the only ones \_\_\_\_\_ to the feast.
  - c. If you want \_\_\_\_\_ to look like the Lord's table, then you need to first go to his table, with the poor and the needy.
4. It's the \_\_\_\_\_ of God that creates \_\_\_\_\_.
  - a. We all need the same \_\_\_\_\_ of grace.

"Party \_\_\_\_\_ are then expected to become party \_\_\_\_\_ in their turn."
